

15 Day Alaska, British Columbia and Haida Gwaii

Reference: 100013

Embark on a 15-day adventure between Sitka, Alaska and Seattle, Washington exploring three of the most appealing wild regions in the Pacific Northwest: Alaska's Inside Passage, coastal British Columbia, and Haida Gwaii. You'll sail into mist-shrouded fjords and past crashing glaciers, see brown bears stalking shores, and eagles flying. And in Haida Gwaii you'll meet artisans and experience the resonance of their cultural heritage and artwork. With our special access to Gwaii Haanas National Park Reserve, National Marine Conservation Area Reserve, and Haida Heritage Site, you'll see ancient village sites, and the endemic species that make Haida Gwaii the "Canadian Galápagos."
