BROOME TO DARWIN: 2 Departures - July 29th and August 18th 2018

Enjoy a luxurious 10 night expedition cruise in the spectacular Kimberley accompanied by a specialist expedition team with more than 50 years of Kimberley experience.

Your cruise will be enhanced by zodiac outings, absorbing shore visits, fascinating lectures and valuable insight into the region's culture, history and wildlife.

From Darwin to Broome, set sail to this remarkable land of ancient Gwion Gwion and Wandjina rock art and billions of years-old landscapes comprising spectacular gorges, vast plateaus and magnificent waterfalls.

You will hear stories of the dreamtime from the oldest continuous culture on the planet, and explore pristine mangrove environments, home to the world's largest living reptile, the crocodile. Further witness unique tidal phenomena at the Horizontal Falls and Montgomery Reef, and encounter the world's largest population of migrating humpback whales.

Onboard L'Austral, with just 132 staterooms & suites, 95% with private balcony, enjoy a dip in the pool, unique comfort and service, facilities of a luxury expedition ship. Open Bar, sophisticated cuisine and fine wines.
